

Plants list at Kingfisher Bay Resort, Fraser Island

This plant species list is a guide to the more common plants found throughout the Kingfisher Bay Resort and surrounds. Our intention is not as a complete/ comprehensive list of plants on Fraser Island as there are over 1000 species of plant from over 150 plant families found here. These are found within a great diversity of vegetation types and are dependent on a number of factors for their survival.

Fraser Island's ecosystems will continue to survive for future generations only through the thoughtfulness of its visitors. Please take care of our environment.

 Lamb's-tail Wattle
 Coastal Wattle
 Black She-oak
 Mistletoe
 Smooth-barked Apple
 "Eggs and Bacon"
 Picabeen Palm
 Midgim
 Grey Mangrove
 Wallum Banksia
 Coastal Banksia
 Swamp Banksia
 Saw-toothed Banksia
 Bungwall Fern
 Swamp Boronia
 Wide Bay Boronia
 Forest Boronia
 Orange Mangrove
 White Caledonia Orchid
 Cypress Pine
 Cooloola Pine
 Pig Face
 Dodder Vine / Dodder Laurel
 Coastal / Horesetail She-oak
 Foxtail Sedge
 Red Bloodwood
 Pink Bloodwood
 Spider Orchid

Scientific Name

Acacia flavescens
Acacia leiocalyx
Acacia sophorae
Allocasuarina littoralis
Amyema sp.
Angophora leiocarpa
Aotus ericoides
Archontophoenix cunninghamiana
Austromyrtus dulcis
Avicennia marina
Banksia aemula
Banksia integrifolia
Banksia robur
Banksia serrata
Blechnum indicum
Boronia parviflora
Boronia rivularis
Boronia rosmarinifolia
Bruguiera gymnorrhiza
Caladenia catenata
Callitris columellaris
Callitris sp.
Carpobrotus glaucescens
Cassytha filiformis
Casuarina equisetifolia
Caustis blakei
Corymbia gummifera
Corymbia intermedia
Dendrobium tetragonum

Cont...

Flax Lily	<i>Dianella sp.</i>
Heathy Parrot Pea	<i>Dillwynia retorta</i>
Hyacinth Orchid	<i>Dipodium punctatum</i>
Hop Bush	<i>Dodonaea triquetra</i>
Blueberry Ash	<i>Elaeocarpus reticulatus</i>
Blue Quandong	<i>Elaeocarpus grandis</i>
Wallum Heath	<i>Epacris pulchella</i>
Blackbutt	<i>Eucalyptus pilularis</i>
Swamp Mahogany	<i>Eucalyptus robusta</i>
Scribbly Gum	<i>Eucalyptus racemosa</i>
Queensland Blue Gum	<i>Eucalyptus tereticornis</i>
Tall Sword Grass	<i>Gahnia clarkei</i>
Red-fruit Saw Sedge	<i>Gahnia sieberiana</i>
Guinea Flower	<i>Hibbertia linearis</i>
Twining Guinea Flower	<i>Hibbertia scandens</i>
Goats Foot	<i>Ipomoea pes-caprae</i>
Dusky Coral Pea	<i>Kennedia rubicunda</i>
Native Sour Currant	<i>Leptomeria acida</i>
Lemon-scented Tea Tree	<i>Leptospermum liversedgei</i>
Bearded Heath	<i>Leucopogon leptospermoides</i>
Bushy White Beard	<i>Leucopogon margaroides</i>
Zamia Palm	<i>Macrozamia douglasi</i>
Five-veined Paperbark	<i>Melaleuca quinquenervia</i>
Blue Tongue	<i>Melastoma affine</i>
Prickly Broom Heath	<i>Monotoca scoparia</i>
Pandanus Screw Palm	<i>Pandanus tectorius</i>
Swamp Iris	<i>Patersonia fragilis</i>
Geebung	<i>Persoonia virgata</i>
Woombye	<i>Phebalium woombye</i>
Heath Platysace	<i>Platysace lanceolata</i>
Narrow-leafed Platysace	<i>Platysace linearifolia</i>
Bracken Fern	<i>Pteridium esculentum</i>
Red Mangrove	<i>Rhizophora stylosa</i>
Wedding Bush	<i>Ricinocarpos pinifolius</i>
Forked Comb Fern	<i>Schizaea bifida</i>
Fraser Island Satinay	<i>Syncarpia hillii</i>
Native Violet	<i>Viola hederacea</i>
Blue Bells	<i>Wahlenbergia graniticola</i>
Swamp Grass Tree	<i>Xanthorrhoea fulva</i>
