ICONIC LOCATIONS

WHAT YOU WILL SEE

- **Lake McKenzie** – K’gari’s most iconic swimming spot! Relax along the pristine white silica shore and be immersed in the crystal-clear fresh water nestled amongst the sand dunes.
- **Central Station** – Admire the towering trees growing from sand and explore along the rainforest boardwalk with your expert local guide.
- **Pile Valley** – Wander through the subtropical rainforest and marvel at the centuries-old satinay trees and towering palms.
- **75 Mile Beach** – Cruise K’gari’s golden beach highway and discover the hidden gems only the locals know about. You can join the Air Fraser team for a scenic joy-flight over the island (optional extra).
- **Eli Creek** – Wade through the cool shallow waters or float downstream towards the Coral Sea!
- **Maheno Shipwreck** – Visit the famous rustic ruins that was once a luxury cruise liner. Washed ashore in 1935 it is now a photographer’s paradise and historic wonder.
- **The Pinnacles Coloured Sands** – Be amazed by these spectacularly technicoloured sand cliffs and the Dreamtime tale of how they were formed. There are 72 different colours to see!
- **Indian Head** – As the most easterly point of the island, marine life such as turtles, rays and whales (August to October) are often spotted in the waters around the base of this rocky headland.
- **Champagne Pools** – Experience this amazing natural jacuzzi, as crashing waves meet the volcanic rock pools along the shore. It’s only saltwater swimming spot on 75 Mile Beach.
- **Lake Wabby** – Trek across the shifting golden sands of the Hammerstone sandblow, and arrive at this hidden gem; a window and barrage lake, with glistening emerald green depths. *(Please note: this is a 4km return walk through bushland and across soft sands a moderate fitness level is required. The Lake Wabby walk is an optional activity).*

WILDLIFE

Diverse wildlife are present on K’gari with dingoes, birds of prey and whales (July to October) seen on K’gari Explorer Tours. Spot wildlife from our 4WD coaches with custom-built panoramic windows. Keep an eye out for K’gari’s most famous resident – our pure-bred dingoes!

LOCAL GUIDES

Your guide is a K’gari expert with local knowledge and a passion for the destination. You’ll explore some of the most beautiful spots and learn fascinating facts about the island’s history, fauna and flora. They’ll drive you across the sand tracks and navigate the tides and unique terrain, as you relax in air-conditioned comfort.
