

## WHALE WATCHING

The calm waters off the western coast of Fraser Island are one of only two places in the world where the humpbacks come to play. Marvel as these gentle giants breach, wave their pec fins and pop up to say hello, for a truly unforgettable wildlife encounter. Half-day whale watching cruises depart the resort daily (Aug-Oct). Book your bucket list experience at reception.

## THE SUNSET BAR

Stroll along the jetty with a barista-made espresso, sip on a refreshing cocktail as you bask in that sunset glow, or say cheers to island life with a cheese platter and champagne down along the shore.

## TASTES OF SEABELLE

Savour an array of bush tucker-infused creations, from a five-course degustation to a selection of signature dishes. Our award-winning Chefs have paired native ingredients with fresh, locally-sourced produce, incorporating the island's cultural fare into Modern Australian cuisine. Enhance your fine dining experience with our expertly-matched wines.

## BUSH TUCKER TALK & TASTE

Join a Resort Ranger and Executive Chef for a unique foodie experience, as they demonstrate the flavours and pairing combinations of Fraser Island's bush tucker. Learn about their origins and sample with freshly cooked kangaroo, crocodile and emu, to taste Australia on a plate.
